

**HONG KONG DIPLOMA OF SECONDARY EDUCATION EXAMINATION 2021**  
**Examination Circular No. (2) 2020/2021**  
**Revised Examination Timetable and Streamlining of Public Examination and School-based Assessment**

1. This circular is to inform schools of the revised examination schedule and the streamlining of the public examination and School-based Assessment (SBA) for the 2021 Hong Kong Diploma of Secondary Education Examination (HKDSE), and to seek schools' support and co-operation to ensure the smooth conduct of the examinations.
2. Since the outbreak of COVID-19 in late January 2020, the Government has implemented a series of anti-epidemic measures to strengthen the protection of public health and well-being of students. As the epidemic situation continues and keeps fluctuating, the Education Bureau (EDB) has announced that face-to-face teaching activities and other on-campus activities should be suspended when the 2020/21 school year begins. The extended class suspension has severely disrupted normal school operation in the school years 2019/20 and 2020/21, thus adversely affected the learning and teaching for the cohort of students sitting the 2021 HKDSE. In this connection, the HKEAA and EDB have explored one-off contingency measures on the 2021 HKDSE to provide more flexibility for this specific cohort of students. The proposed measures were considered and approved by the Public Examinations Board in its meeting on 31 August 2020.

**Revised Examination Timetable**

3. To allow current S6 students to have more time for learning and studying in the coming school year, the start of the written examinations of the 2021 HKDSE Category A subjects will be postponed until **23 April 2021** and the speaking examinations of both Chinese Language and English Language will not take place. The PE/Music practical examinations will be streamlined and tentatively scheduled for mid-February to mid-April 2021. Due to the rescheduling of written examinations, the release of the 2021 HKDSE results will tentatively be deferred to **21 July 2021**.
4. The 2021 revised examination timetable has been slightly compressed and shortened to 20 examination days lasting three and a half weeks to cope with epidemic situation:
  - (a) The four core subject examinations are scheduled from 26 April to 30 April and 3 May 2021. Candidates will sit for Liberal Studies, English Language and Chinese Language examinations on five consecutive days while Mathematics (Compulsory Part) will be examined on the following Monday.
  - (b) Two or more subjects will be scheduled on the same day (morning or afternoon) if there is no overlap of candidates. The examination dates of Design and Applied Technology, Technology and Living, Physical Education and Music will be finalised after the normal closing date of registration, around early November 2020.
  - (c) Some small-entry subjects are scheduled in the afternoon, meaning that a small number of candidates may have to sit two elective subject examinations on the same day.
  - (d) In drawing up the compressed examination timetable, consideration has been given to the 2020 subject combination statistics with a view to minimising the number of candidates who have to sit examinations (other than core subjects) for two to three consecutive days as well as more than one elective subjects on the same day. The Authority would fine-tune the examination timetable once the entry data are available.
  - (e) In case no examination is scheduled for 18 May 2021, it will be used as a reserve examination date. In addition, 20 May will be reserved for contingency purposes.

5. The 2021 revised examination timetable at *Annex 1* has been uploaded on the HKEAA website ([http://www.hkeaa.edu.hk/DocLibrary/HKDSE/Exam\\_Timetable/2021\\_DSE\\_Timetable.pdf](http://www.hkeaa.edu.hk/DocLibrary/HKDSE/Exam_Timetable/2021_DSE_Timetable.pdf)). This supersedes the original examination timetable promulgated to schools and the public vide Examination Circular No. (7) 2019/2020 on 22 May 2020.
6. According to the latest advice of Cambridge Assessment International Education, the speaking and written examination sessions of HKDSE Category C subjects will be held in October 2020 according to the published schedule. Schools and candidates will be updated of any change in the examination schedule in case of unforeseeable situations.
7. In the event of epidemic situation that necessitates further postponement of the 2021 written examinations, the examination pattern and principles stated in paragraph 4 above would still be followed, as far as practicable. To meet the expectations of major stakeholders, the written examinations would start on 3 June 2021 in order that the HKDSE examination results are available latest by 31 August 2021.
8. To ensure the smooth conduct of the 2021 HKDSE, the cooperation and collaborative support from all participating schools is indispensable. The accommodation requirements for the 2021 Examination will be sent to schools in early October 2020.

### **Changes in Assessment Frameworks resulting from Streamlining of the 2021 Public Examination and School-based Assessment**

9. The Assessment Frameworks of respective Category A subjects have been changed as a result of the implementation of one-off contingency measures to streamline the public examination and SBA for the 2021 HKDSE. The main changes are summarised as follows:
  - (a) Cancellation of speaking examinations of Chinese Language and English Language
  - (b) Cancellation of SBA of 9 Category A subjects and streamlining of the remaining 5 subjects
  - (c) Streamlining of the practical examinations of Physical Education and Music
  - (d) Streamlining of the requirements of the written examinations of 9 Category A subjects including reducing the number of questions to be attempted and/or turning some compulsory questions optional
  - (e) As a result of the changes in (a) to (d) above, the weighting of the remaining papers will be adjusted according to the assessment structure of the subjects concerned
10. According to the changes in the public examinations of some subjects/papers, the examination time of the following subjects/papers have been adjusted:

<b>Subject/Paper</b>	<b>Original examination time</b>	<b>Revised examination time</b>
Geography Paper 1	2 hours 45 minutes	2 hours 30 minutes
History Paper 1	2 hours	1 hour 45 minutes
Tourism and Hospitality Studies Paper 2	1 hour 45 minutes	1 hour 15 minutes
Design and Applied Technology Paper 2	2 hours	1 hour 15 minutes

In addition, the Assessment Schemes of some Category B Applied Learning subjects may also be slightly modified where necessary.

11. The revised Assessment Frameworks for the 2021 HKDSE are available for viewing on the HKEAA website ([http://www.hkeaa.edu.hk/en/hkdse/assessment/assessment\\_framework/](http://www.hkeaa.edu.hk/en/hkdse/assessment/assessment_framework/)). Highlights of the changes in the Assessment Frameworks of the Category A subjects concerned are provided in *Annex 2*.
