「人人皆資優」政策 The Policy of All Children as Gifted

設立「木人巷」，藉以推動「人人皆資優」之政策，只要孩子對某個領域有濃厚興趣，孩子便被視為該領域的資優生。

Set up “POWNER Path” to foster the implementation of “the Policy of All Children as Gifted”. When a child shows strong interest in an area, he/she will be considered as gifted in that area.

學校在資優政策上設「三層架構」，在課堂內、外和學校以外（包括外地），推動多元及多層次之學校計劃和比賽。

The school implements the “Three-Tier” structure in gifted education, which includes classroom level, school level and outside school level.

除「木人巷」外，學校還設立不同的學習基地，如、「EC鼓室」、「思齊里」、「創意畫廊」、「EC夢劇場」、「STEM中心」、「EC學是學非」、「文青閣」等，交學生參與管理，發展他們成為中心的主人。

Apart from POWNER Path, the school sets up different learning bases, e.g. EC Band Room, LVE Lane, Creative Arts Gallery, EC Dream Theatre, Stem Centre, EC to Do Booth, Literature Youth Corner, etc. Related groups of talented students are engaged to manage the bases.

生命價值教育 Life Value Education

學校積極建造「愛心校園」，以建立孩子的「安全感」，促進他們開放心扉，探索心靈。

Develop a “Caring School Campus”. Students need to build a strong “sense of security” before feeling safe to open and explore their heart.

推行全校參與「生命價值教育」，把德育、公民教育、基督教教育、生涯規劃教育滲透入教學和校園生活中。

Adopt the whole-school approach to implement “Life Value Education”. Infuse Moral Education, Civic Education, Christian Education and Life Planning Education into learning and teaching as well as campus life.

在推行生命價值教育時，強調學習過程，由訂定價值觀，提供學習經驗，發掘實踐故事，給予學生回饋，頒獎到安排學生分享各個環節，貫徹生命價值之學習。

On implementing Life Value Education, the school emphasizes the process of learning. From identifying values, providing learning experiences, capturing students’ stories, providing feedback, presenting awards and arranging students to share, the school aims at upholding congruent practices for teaching life values.

設計「生命價值教育課程」，引用聖經金句、文言古訓，作為價值觀學習之內容。

On designing the “Life Value Education Curriculum”, identify and adopt the use of Biblical and Chinese cultural quotations as learning content.

設立「思齊里」，推廣「生命價值教育」。

Make use of the “Life Value Education Lane” to promote Life Value Education.

培養學生成為「好鄰舍」、「好學人」和「僕人領袖」。

Nurture students into “Good Neighbors”, “Good Learners” and “Servant Leaders”.

以學生為中心的教與學 Student-centred Learning and Teaching

學校推行多元化之教學模式，例如：「由教學、導學到自學」、「四高教學法：高動機、高期望、高參與、高展示」、「以學生為中心」的教學法。

The school implements diversified models of teaching, for examples, “From Instruction, Coaching to Independent Learning”, “Four Highs: High Motivation, High Expectation, High Engagement, High Display”, “Student-centred Classroom Teaching”, etc.

學校鼓勵學生積極分享學習，努力建構「說學文化」，定期舉辦「說學高峰會」、「學習分享舞台」、「學習馬拉松」、「5分鐘自學分享」等活動。

The school encourages students to share what they learn. She also diligently constructs the “Culture of Sharing to Learn” and regularly conduct activities, for examples, “Share to Learn Summit”, “The Stage of Sharing”, “Learning Marathon”, and “5-min Sharing in Classroom”, etc.

學校推行「人人皆成功」之目標，幫助每位學生於校內考試合格，以提升HKDSE之表現。

The school implements the “Success for All” Policy. Teachers diligently help all students pass genuinely in the school exams to foster higher passing rate in HKDSE.

學校積極推行「學生自學」之計劃，其中包括：「學習檔案為本」之自學計劃、「博物館為本」之學習計劃、「社區為本」之學習計劃等，把學習延伸至課室和學校以外。

The school implements various schemes of “independent learning” which includes “Portfolio-based Learning”, “Museum-based Learning” and “Community-based Learning”, extending learning outside the classrooms as well as the school.

修讀「三個高中選修科」 Studying 3 Elective Subjects in Senior Secondary

在學界中，學校為少於半數之學校讓同學於高中修讀三個選修科。In the school sector, our school is among the less than 50% of secondary schools to allow students to study 3 elective subjects.

除中、英、數、通識四個核心科目外，高中同學可選擇的選修科包括：

Apart from the 4 core subjects (Chinese, English, Math, Liberal Studies), elective subjects provided for students include:

播揚真理 · 道育幼苗
Proclaim the Truth · Nurture our Youth

真正「一條龍」學校教育 Genuine Through-Train Education

學校實踐真正「一條龍」教育精神，所有小六學生皆可「原校升讀」中學。

The school has realized the spirit of Through-Train Education. All our P.6 students are eligible for promoting to our secondary school to continue their studies.

卓越學業表現 Outstanding Academic Achievement

根據教育局的報告，中六畢業同學畢業時之學業水平，跟中一入學時之學業水平比較，增值表現極為良好。

According to the reports from EDB, our S.6 graduates have shown high value-adding performance on comparing with their academic performance in S.1.

學校推行原校升中不設篩選之機制，然而，中六畢業生於香港中學文憑試考獲33222或以上之比率相當之高，相關比率亦每年以大約5%快速增長。

The school allows all P.6 graduates to promote to our secondary school; yet, the percentage of students attaining 33222 or above in HKDSE has been highly promising; and percentage has been increasing significantly by 5% each year.

原校升讀中學的學生於歷屆HKDSE考獲之最佳成績為六科5**並數學延伸科目5**；其次為五科5**、一科5*、一科5。

Up till now, the best student attained 5** in 6 subjects and M1 of Mathematics; and the second best student attained 5** in 5 subjects, 5* in one subject and 5 in one subject in HKDSE.

此外，大部份於HKDSE成績優異的畢業同學皆獲學校頒授不同的品格獎項，其中包括：最佳年度學生、聖靈九果榮譽、傑出服務獎學金等。

Besides, the majority of graduates who attained high in HKDSE, were awarded various kinds of character awards, including Student of the Year, Fruit of the Spirit Awards, Outstanding Service Scholarship, etc.

本校畢業生能考入極具競爭性的本地學位課程，其中包括：環球金融、醫科、法律、牙科、精算、物理治療、職業治療等。

Our graduates were admitted to highly competitive local degree programs, which include global business, medicine, law, dentistry, actuarial science, physiotherapy, occupational therapy, etc.

444學術與品格發展 444 Academic & Character Development

學校把十二年之發展設定為三個四年階段：

The school divides the 12-year academic and character curriculum as three 4-year phrases:

一人一服務計畫 One Student One Post Scheme

學校於高小開始，推行「一人一服務計畫」，成立多元化服務隊伍，包括：

Starting from Senior Primary, the school implements the One Student One Post Scheme. The school sets up diversified service teams which include:

中三為「高中預備年」 S.3 as Foundation Year for Senior Secondary Studies

學校把中三級設定為「高中預備年」。

S.3 is the "Foundation Year" of senior secondary studies.

同學會於中三初步接觸所有高中選修科目內容，而學習之內容仍會以課程發展處建議之初中課程內容為基礎。相關措施幫助同學於升讀高中前，在選科方面能作出更明智的選擇。

Students are arranged to study preliminarily the content of all elective subjects in the senior secondary studies, using the recommended content of CDC for junior secondary studies as foundation. Such measure definitely helps students make wise choices in choosing their elective subjects before their senior secondary studies.
